

SWL GAME 2° EDITION 10 MAY 2015

Dear SWL friends,

The Italian Group Free Wave organize for you, the second edition of a radiophonic contest that will be on air on short waves QRG in Amplitude Modulation. This second edition will have small difference in rule.

“ TAKE THE MESSAGE “

Each free station will be on air in the same moments on his own QRG, transmitting a part of a complete message in Italian and English, that is ever the same for all 7 (seven) Italian Free stations.

10 May 2015 schedule:

- **First Part of Message** from 08.00 UTC to 09.00 UTC with this **simultaneous TX QRG**:
6.875 Radio Europe / 6.950 Radio Enterprise / 7.300 Radio U-Boat 66
- **Second Part of Message** from 09.00 UTC to 10.00 UTC with this **simultaneous TX QRG**:
6.870 Radio Samurai / 6.940 Radio Voyager / 7.300 Radio Mistero Ghost Planet
- **The complete message** will be transmitted instead only via: Radio Arcadia from 19.00 to 20.00 UTC but the Arcadia's QRG will be communicated last-minuts on Chat/FB, depending band's condition.

To participate to the game as SWL, you only have to recreating the complete message

All SWL can participate to the game with their own radio and antennas, and also using web SDR receiver. Please send your report to: radioalleanza@gmail.com

International Contest Rank and Special Paper Certificate

From the first (1 °) to the fifth (5 °) report mail received without mistakes, will get a paper QSL direct to your postal address (if communicated).

To compose the final rank we consider the time in which we get your mail.

The ranks of Italian SWL and International SWL will be separated, and we will send a total of n. 10 paper Certificate. The final results will be published within 10 day from 10 may 2015.

We hope in good conditions and we invite you to participate to the Game !
